Performance Evaluation System Annual Report Fiscal Year 2014-2015

In accordance with Civil Service Rule 10.10(b), state agencies are required to submit an annual Performance Evaluation System (PES) report to the Director of State Civil Service. The evaluations reported in this document are for the fiscal year (FY) which ended June 30, 2015.

The documents which are included in this report are as follows:

Statewide Summary Reports

The statewide summary report provides statistical information for all major departments which reported PES information to State Civil Service for FY 2014-2015. It details the

- number of employees that were rated;
- number of employees that were rated "Exceptional";
- number of employees that were rated "Successful";
- number of employees that were rated "Needs Improvement/Unsuccessful";
- number of employees that were "Not Evaluated"
- number of employees that were "Unrated".

The summary report also includes a graphical depiction of PES ratings for FY 2014-2015.

Major Agency Reports

These reports provide the statistical data for the individual agencies by major department and may include multiple agency areas. For example, the summary for the Department of Corrections includes all prisons which fall under Corrections, including the Office of Adult Probation and Parole as well as Prison Enterprises. Each major department summary includes the same categories of information as the Statewide Summary Report.

Statewide Unrated Evaluations for Fiscal Year 2014-2015

For Fiscal Year 2014-2015, there was a 0.09% decrease in the statewide percentage of unrated employees, which was reported as 0.73% for Fiscal Year 2013-2014. The overall "Unrated" percentage was 0.64% of 36,321 classified employees for whom ratings were reported in fiscal year 2014-2015, and total number of ratings conducted represents 1,690 fewer employees for which evaluations were conducted in fiscal year 2013-2014.

Unrated Category

The "Unrated" category reflects the number of employees for which an official evaluation as defined in Chapter 10 of the State Civil Service rules was not conducted, generally resulting in a violation of the rule. For example, any rating conducted outside of the specified time parameters established in Chapter 10 would constitute a rule violation, thereby resulting in an evaluation of "Unrated" for the employee.

Not Evaluated Category

The "Not Evaluated" category allows for the evaluation of employees who transferred between agencies or were hired near the end of the evaluation year. This category provides a mechanism for supervisors to assign an evaluation without penalty when an employee has worked at the new agency fewer than three months within the performance evaluation year, and the appointing authority has determined that an insufficient amount of time has elapsed to conduct an adequate evaluation of the new employee. The "Not Evaluated" category is distinguished from the "Unrated" evaluations which are used when violations of Chapter 10 of the State Civil Service Rules occur.

Agencies Not Reporting

Included in this report is a list of agencies that did not report employee evaluations for Performance Year 2014-2015.
