MEDIA RELEASE

State Civil Service to Host Engineering, Technology, Scientific Career Fair in Baton Rouge

Release Date: October 17, 2014

Contact: Lindsay Ruiz de Chavez
Public Information Director
(225) 219-9449
Lindsay.Ruiz@la.gov

The Louisiana Department of State Civil Service will host a targeted career fair on Wednesday, October 29, from 9 am to noon at the Baton Rouge Information and Recruiting Office located at 5825 Florida Blvd. in Baton Rouge.

The career fair will be targeted to jobs in the Engineering, Technology and Scientific areas. The state agencies participating are the Coastal Protection and Restoration Authority; the Department of Agriculture and Forestry; the Department of Environmental Quality; the Department of Natural Resources; the Department of Transportation and Development; the Department of Wildlife and Fisheries; the Division of Administration and the Louisiana Professional Engineering and Land Surveying Board.

These agencies will be seeking candidates for the following possible job opportunities:

- Agricultural Sciences
- Animal Sciences
- Biological Sciences
- Civil, Electrical, and Mechanical Engineering
- Environmental Sciences
- Forestry
- Information Technology
- Paraprofessional Engineering
- Wildlife and Fisheries

If you need further information on this event please contact the Baton Rouge Information and Recruiting Office at (225) 925-1911. Please visit our website, www.civilservice.louisiana.gov, to view all current job vacancies.

State Civil Service Mission:

To provide human resource services and programs that enable state government to attract, develop and retain a productive and diverse workforce that excels in delivering quality services to the citizens of Louisiana.
